1 DOOR PRIZE FOR SPECTATORS

March  
**13** 2018  
6pm-7:30pm

Show off your project and have some fun with other makers. This event encourages makers to create a fun (and/or useful) project using a Raspberry Pi (or compatible single board computer) to display on the eve of Pi Day, March 13, 2018, at UCA's Makerspace on Donaghey, in Conway.

RSVP as a contestant or spectator at

[www.arconductor.org/raspberry-pi](http://www.arconductor.org/raspberry-pi)
